MC 660 MODEL
IC

The ultimate long-load workhorse.

The MC-660 is the ideal carrier for long and heavy loads of up to 6,000 lbs.—even over long distances. Its fully customizable modular design features a low, long flatbed cargo deck and powerful four-wheel drive. Also available in unlimited configurations including our cab option, or with the single seat and half-cowl for full-length deck space on the right side. A rugged, multi-purpose vehicle offering safe and dependable performance, even when handling the heaviest loads.
