MP 300 MODEL 36V

A genuine industrial vehicle / golf cart alternative.

This multi-purpose, multi-passenger vehicle is specifically designed to perform in rugged applications. It can efficiently carry personnel and cargo, climb hills, and tow up to 4,000 lbs.—simultaneously. With its bolt-on bumpers, high-strength tubular frame, and 14-G diamond-plate steel body, this work horse is built to last. Its modular design includes an optional four passenger configuration with foldaway rear seat. A safe, low-cost, low-maintenance utility truck that also makes a great golf cart alternative.
