

## VEHICLE OVERVIEW

MELISSA HARTMANN

APRIL 8, 2021

**MS 260** MODEL 36V

### The game-changing stock chaser.

The industry's most versatile stand-up stock chaser / order picker now offers even more. More capacity: up to 6,000 lbs. for towing and 1,750 lbs. for loads. More standard features: leaf spring suspension, integrated 2-step ladder and loading anchors, USB charger, storage compartments, fully protected electrical components and more. More options: AC powertrain and robust front rubber bumper. Of course, the MS-260 still has a long list of standard driver-friendly features: 59" deck, dual front wheels, short turning radius, light touch controls, padded backrest, ergonomic driving position, low-step entry.... And as always, it can be fully customized.

#### Stock chasers

Other Models : 24V, 48V

 PASSENGERS  
1

 LOAD CAPACITY  
1,500 lbs

 TOWING CAPACITY
