

ZENITH SCISSOR LIFT

27 X 48 ZE PP

20.5 X 48 ZE PP

2,200 LB CAPACITY

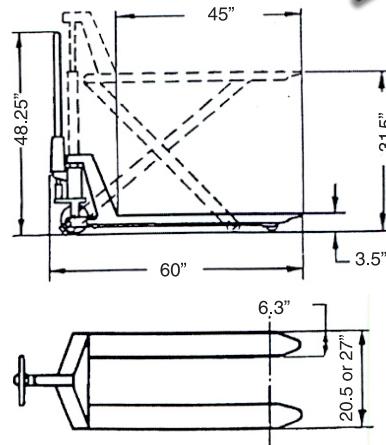

**3.5" LOWERED
HEIGHT**

**SEAMLESS
FORKS**

FEATURES & BENEFITS

- Hard chrome-plated ram & piston
- Self-lubricating bearings at all pivot points
- Large steer wheels with "ball-thrust" steering
- High tensile steel frame
- Grease fittings
- 230° pivot action maneuvers in compact areas
- Spring-a-matic handle self returns to vertical position
- Poly steer wheels & load rollers standard, for easy quiet travel
- Powder coated quality safety color after anti-rust treatment
- Safety designed loop handle, includes neutral position, and fingertip release

**LEAK-PROOF
HYDRAULIC UNIT**

**TELESCOPIC
CYLINDER**

**LIFT TABLE
CONVERSION**

SPECIFICATIONS

	27x48 ZE PP	20.5x48 ZE PP
Load Capacity	2,200 lbs	2,200 lbs
Truck Width	27"	20.5"
Fork Length	45"	45"
Forks Width	6.25"	6.25"
Total Truck Length	60"	60"
Space Between Forks	14.5"	8"
Lowered Fork Height	3.5"	3.5"
Raised Height	31.5"	31.5"
Wheels Lock Height	12"	12"

NMFC	189240-1 (fully assembled)
FOB	Elk Grove Village, IL 60007 / American Canyon, CA 94503
Ship Weight	310 lbs./unit
Ship Dimensions	1 unit=61"Lx42"Wx49"H / 2 units= 77"Lx42"Wx52"H / 3 units=90"Lx42"Wx55"H
Freight Class	175

ABOUT THE UNIT

3 POSITION HAND LOWERING CONTROL HANDLE

Telescopic jack composed with 3 piston rods creates light pumping force. Support legs come into operation automatically. This prevents the unit from moving when the forks are raised to keep the operator safe. Automatically slows the descending speed of heavy loads to prevent product damage. Two lateral stabilizers when raised creates good stability.

FOR USE WITH ONLY SINGLE FACE PALLETS OR SIDS

This popular hand pallet truck combines maneuverability with scissor lift capability of a lifting table. Adjustable height workstations greatly reduce back strain and can reduce back injuries.

WARRANTY

Atlas warrants this product to be free of defects and workmanship for one (1) year from the date of purchase. Atlas will repair or replace any component(s) at no charge (upon Authorization from an Atlas representative), as Atlas deems necessary, during the warranty period. All repairs will be guaranteed for 90 days from the date of the repair. Inbound and outbound freight are the responsibility of the customer. Atlas is not and will not be held liable for losses incurred through the use of its products. This warranty does not apply to the pallet truck scales that have been subject to operation in excess of design limitations, accidents, misuse, improper repair, negligence, unauthorized modifications, abnormal wear, abuse, or use in acid, alkali, corrosive, or condensing atmospheres. Atlas makes no other express warranties. All implied warranties are disclaimed to the extent allowed by the law. Any implied warranty not disclaimed is limited in scope to the terms of this warranty.
